Tiles (TPP3)

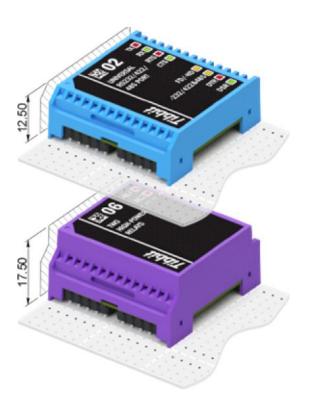

M1 "Narrow" Module

M2"Wide"module

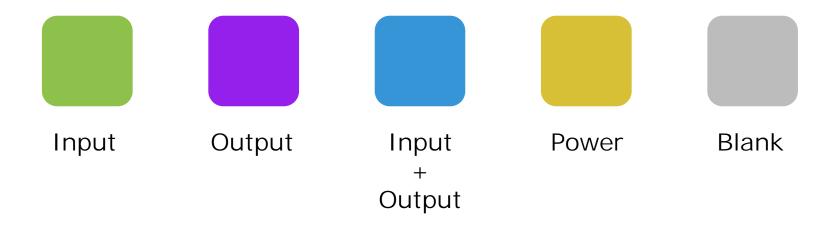

Color coded Tibbit modules

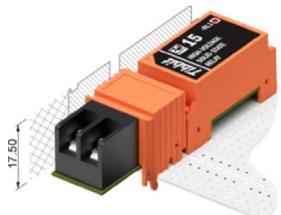

C1 "Narrow" connector

C2 "Wide" connector

C1 "Hybrid" connector

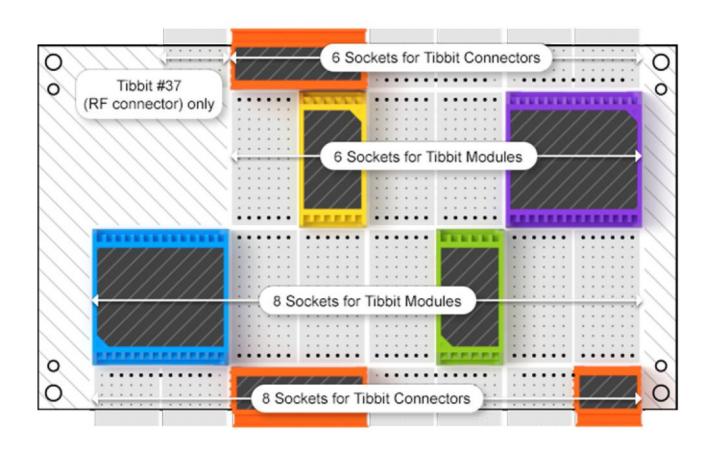

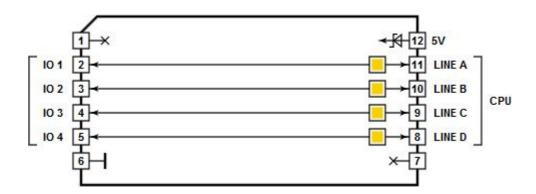

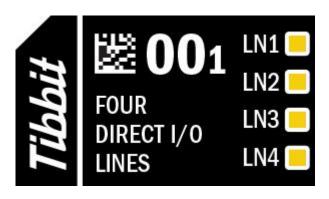

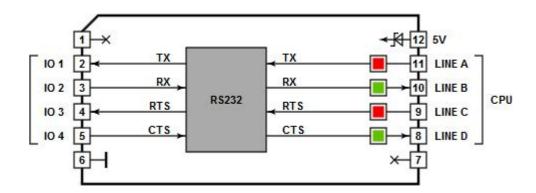

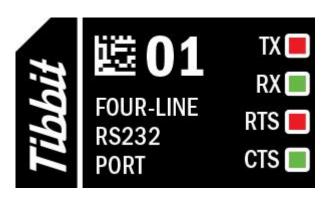

- TPB2
- 2 paper inserts
- 2 transparent insert covers
- LED light guide
- RST/MD buttons PCB
- DIN rail kit
- Vibration protection kit (Optional)
- TPB3
- 2 paper inserts
- 2 transparent insert covers
- LED light guide
- RST/MD buttons PCB
- 2 DIN rail kit
- Vibration protection kit (Optional)

- TPB2L
- 320*240 3.5" TFT LCD
- 4 button sensor keypad
- LED light guide
- RST/MD buttons PCB
- DIN rail kit
- Vibration protection kit (Optional)

Take What You Need. Leave Out What You

- Flexibility
- Efficiency
- Expandable
