

# RS-200

Equipped with the world's first x86 SoC by AMD , the RS-200 accomplishes the gizmo design in the aluminum fan-less chassis and its quad core process unit delivers smooth UHD display via display port and makes no compromise in performance.

## Specification:

<b>Model Name</b>	RS-200
<b>Processor</b>	GX-415GA 1.5 GHz Quad core, TDP 25W
<b>Graphics</b>	Integrated HD8330E
<b>Memory</b>	Industrial SO-DIMM DDR3 4GB x1
<b>I/O</b>	USB 3.0 x 2, RS232 x1
<b>LAN</b>	10/100/1000Mbps x1
<b>Display Output</b>	DP x1, HDMI x1
<b>Audio</b>	Digital Output
<b>System Dimension</b>	160 x 130 x 45 mm, <b>Fan-less</b>
<b>Power Consumption</b>	Power in, Adaptor 12V, 60W
<b>Operating Environment</b>	5 - 45°C, 20 - 80 % humidity
<b>Mounting</b>	Wall-mount
<b>Storage</b>	Industrial mSATA SATA III 32GB
